

# Building Climate Resilience:

## Incorporating Climate Change into Public Infrastructure Planning and Design

March 8<sup>th</sup> & 9<sup>th</sup>, 2018

8:30 – 5:00 (both days)

Holiday Inn, Portugal Cove Road, St. John's

Cost: \$75.00

Register by email [main@pegnl.ca](mailto:main@pegnl.ca) or phone (709) 753-7714, ext. 0.

### This workshop will cover the following topics:

1. The legal and policy imperative for integrating climate considerations into practice
2. The scientific and professional rationale and approach to consider extreme weather and changing climate implications for public infrastructure
3. Newfoundland and Labrador-specific tools and resources for climate resilient infrastructure
4. Climate risk and vulnerability assessment – a key tool to inform climate adaptation
